

# Explore the world CityByte

PARIS

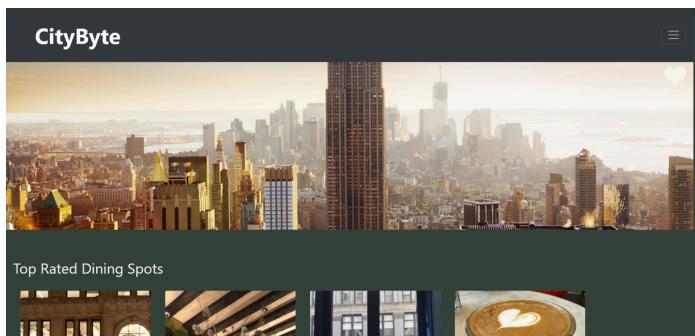

SINGAPORE

Going on a trip soon? Like to virtually explore cities? Look no further than CityByte as your guide for exploration!

## Prior Improvements

- **User accounts!**
- **Wish List:** enabled users to save any points of interest
- **Social Page:** allowed users to leave comments on locations
- **Cache:** decreased system failures and increased speed of search results

## Proposed Improvements

- **UI Overhaul:** New shiny, modern, user-friendly interface
- **Maps Display:** Find and view exciting nearby locations using an integrated map
- **Google Accounts:** smoother CityByte registration and login via Google authentication API
- **Search Filters:** find what you want and don't bother with what you don't with new filters
- **Trip Itinerary:** plan out your next trip in advance!
