The screenshot shows the WolfTrack 6.0 dashboard. At the top, there are links for 'Analyze Resume', 'Search Jobs Online', 'Skill Check', 'Resume Suggestions', and 'Logout'. On the left, a sidebar displays the user's name (Niharika), location (Raleigh, NC), and a 'Daily Goal Check' bar chart. Below this is an 'Upcoming Events' section with columns for 'Company' and 'Due Date'. The main content area features a table of job applications with columns for Company, Location, Job Position, Salary, Status, Edit, and Delete. A red 'Set Target' button is at the top right of the application table. To the right of the table is a form for 'Add New Job Application' with fields for 'CV' (choose file) and 'Send Profile' (Email ID). The bottom of the screen shows a Windows taskbar with various icons.

Some new test cases we have included!

- Validate User Login and Signup
- Search and Filter Applications
- File Uploads and Attachments
- Skill Extraction Based on job description given
- Job Search Based on position
- Track Application Progress and many more!
